

Amy Nealy

Client Care Coordinator

**Phone: (973) 228-1795**

Amy serves as Client Care Coordinator and brings her compassion and empathy to help with the challenges that one goes through in the process of planning and caring for loved ones. Amy first began working with seniors in 2008 as a volunteer in the assisted living community where her father lived and later as an associate director of activities at an assisted living community in Morris County. Most recently she worked as the Director of Community Relations in the same community where she once volunteered. She has first-hand knowledge of what its like to make decisions for senior living and estate planning from taking care of her parents. Amy has a degree in Psychology from the University of North Carolina in Wilmington and was the President of the Psi Chi Honor Society while attending the college. She is a Certified Dementia Practioner.

Amy's warmth is contagious and her caring nature runs so deeply that she treats every client as if they were family.
